

Dear Parents and Carers,

This term appears to have flown by! We have thoroughly enjoyed seeing and celebrating positive learning behaviours and learning this term. It has been wonderful to visit and observe children's learning in the classroom as well as have them come to visit us in the office to share pieces of work that they're incredibly proud of. The VIP club has also been an exciting addition to our Thursday calendar and we're sure the children feel the same about this too! ☺

A few key dates for next term

- Thursday 6th March 14:00 – 15:00: World Book Day event – make a vegetable character with your child.
- Friday mornings 8:40 – 8:50: Fabulous Fridays Y1-6 – see poster below for more information.
- Friday 28th March Explorer Dome visit for Years 1 and 3
- Parents' Evenings – Monday 31st March for all years, Wednesday 2nd April for all years apart from Y5, Thurs 3rd April for Year 5 only

Thank you for your continued support. We hope you have a restful and joyful half term holiday.

Sarah – Executive Head Teacher, Laura – Head of School, Tash – Assistant Head and SENCO (The Senior Leadership Team)

Importance of Good Attendance

Come and
celebrate your
child's learning.

Fabulous Fridays!

Join your child to look
through their books
and stick post it note
messages on your
favourite pieces.

- Week 1 Friday 28th February - Year 1
- Week 2 Friday 7th March - Year 2
- Week 3 Friday 14th March - Year 3
- Week 4 Friday 21st March - Year 4
- Week 5 Friday 28th March - Year 5
- Week 6 Friday 4th April - Year 6

Come into your child's class
during drop off between 8:40
and 8:50am.

Term 4 2025

Celebrating Positive Learning Behaviours – The launch of the VIP pass!

It has been wonderful to celebrate so many children each week this term who are always demonstrating our positive learning behaviours and rules of ready, respectful and safe.

Some of the highlights this term have been:

- Playing football with Laura/Sarah
- Playing board games with Laura
- Colouring, crafts and iPad time with Sarah
- Hot chocolate (with a biscuit to dunk!) and crafts with Laura

Zones of Regulation

This term, we are continuing to develop our knowledge of our Zones of Regulation to support our personal, social and emotional learning in school. This term we began by revisiting and then have focused on a concept per fortnight.

So far, we have covered/are covering:

- Concept 1: What is regulation?
- Concept 2: Introducing the Zones of Regulation
- Concept 3: All the zones are okay
- Concept 4: My signals, my zones
- Concept 5: The Zones Check-in
- Concept 6: Situations that trigger and spark

Please see Class Dojo for the 'bridge' documents shared for each concept. They provide a useful overview for parents/carers and an activity that you can do together at home to reinforce the concept taught in school. It is always useful to revisit concepts with your

Explorer Dome Visit

On Wednesday 12th February, children from reception, Year 2, 4,5 and 6 enjoyed their time in the Explorer Dome. The Explorer Dome staff led engaging sessions about space, the environment and sound.

We can't wait to have them back on 28th March for Year 1 and 3!

World Book Day Parent Event

Next term, we will be celebrating World Book Day on Thursday 6th March. Parents/carers are invited in from 14:00 - 15:00 to spend time in their child's class making a vegetable book character with their child.

Most children will participate within their classrooms however, we will also have alternative quieter spaces available for those who need this. Also, if you/a family member are unable to make it, your child will still have the opportunity to make a character in their class or in a different space with MPET adults.

We welcome donations during this week (week commencing 3rd March) of vegetables, junk modelling items, googly eyes, pipe cleaners / other craft items that could be used to create the character.

We look forward to welcoming parents, carers and family members into Mulberry Park at 14:00 on Thursday 6th March.

MPET Wildlife Garden – Parent/Carer/Community Working Group

Please find a message below from Nina Haigh, parent:

I am looking to create a wildlife garden at MPET and would like to recruit a group of parent/carers who would be willing to get together occasionally to take part in some landscaping and planting. There is an area available to be developed which has the potential to become a wonderful space for all children at the school to be able to use and learn more about wildlife, nature and taking care of green spaces. You don't need any prior gardening experience at all, just be keen to get involved!

If you are interested in knowing more, please get in touch with the school office, leaving your name and number, and you can be added to the group. By giving your name and number to the office, you are consenting to it being shared with Nina to join the group.

Please contact the office by Friday 28th February to express your interest.
